

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see the Summary Plan Description (SPD) at www.milamhctf.com or call MILA at (212) 766-5700 or the phone number on each vendor's I.D. card. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or www.milamhctf.com or call (212) 766-5700 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network providers: \$750/individual or \$1,500/family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>In-network</u> office visits and <u>preventive care</u> , <u>in-network</u> urgent care, <u>emergency room care</u> , <u>prescription drugs</u> , <u>in-network</u> maternity professional services, dental and optical benefits are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	Yes. All brand name <u>prescription drugs</u> : \$500/individual; Dental: \$25/individual or \$75/family. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	Yes. Medical benefits: <u>In-network</u> providers: \$7,500/person or \$15,000/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	<u>Prescription drug</u> , dental and optical benefits, <u>copayments</u> on certain services, <u>premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. For a list of <u>in-network</u> providers, see www.milamhctf.com to be directed to each vendor's website or call the number on the back of the ID card for each vendor. The plan only pays for <u>in-network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the full cost if you use an <u>out-of-network</u> provider. Be aware your <u>network provider</u> might use an <u>out-of-network</u> provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>in-network</u> <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
